Work Experience:

I m working as a clinics director in the assisted reproduction unit at the international Islamic center for population studies and research at Al azhar university which is governmental unit established 2004 in Cairo, Egypt .

I m doing all the aspects of assisted reproduction (IVF, ICSI,IUI) including infertility work-up and treatment, triaging of infertility cases, prescribing different protocols of induction of ovulation, ultrasound monitoring and folliculometry, intrauterine inseminations, transvaginal oocyte retrieval, embryo transfers, ultrasound guided ovarian cyst aspiration , operative laparoscopy, operative hysteroscopy, *and any other procedures in the field of assisted reproduction.*

I Practice all the General Gynecological aspects And I Am An Experienced Surgeon in this field . I Used To Have A Weekly Operating List:

Minimal Access Surgery: (Laparoscopy And Hysteroscopy)

I m A Level 2 Laparoscopic Surgeon. I Carry Out Operative Laparoscopic Ovarian Cystectomy, Adhesiolysis , Oophorectomy, Ectopic Pregnancies ,Tubal Sterilization, Severe Endometriosis And Laparoscopic Hysterectomy Diagnostic And Some Operative Hysteroscopic Operations

Major Abdominal Gynecological Surgery:

Complex Hysterectomies, Myomectomies, Ovarian Cystectomies

Vaginal Surgery:

PELVIC FLOOR REPAIR (Anterior Colporrhaphy, Posterior Clopopreniorrhaphy And Vaginal Hysterectomy).

Urogynecology:

Obturator And Tension Free Vaginal Tapes For The Management Of Urodynamic Stress Incontinence.

Antenatal Service:

I Was The Consultant In Charge For Antenatal Clinics And With The Help Of Our Expert Ultrasonographer Set Up A 'Flexible' Antenatal Service. An Excellent Diabetic, Cardiac And Hematology Team Supported Our Work. We Set Up Screening For Thrombophilia And Offered A Joint Service With The Hamatology Department.
